

MIT Class of 1968 Cardinal Red Blazer Order Form

Alumni attending their 50th Reunion are distinguished by wearing gray slacks and a beautiful cardinal blazer, bearing a detachable and intricately stitched MIT breast pocket crest. The classic 55% poly/45% worsted wool hopsack, fully lined blazers are a rich cardinal color and come in a two button, center vented style. Slacks are a tropical weight gray worsted wool blend. The blazer and cuff buttons, normally generic gold blazer buttons, are also available in gold plate with a red and gray *Mens et Manus* insignia.
